HOPE

Act 2:25-26 KJV

For David speaketh concerning Him I foresaw the Lord always before my face, for he is on my right hand that I should not be moved.

Therefore did my heart rejoice and my tongue was glad, Moreover also my flesh shall rest in hope.

Message Bible: I'm glad from the inside out, I'm ecstatic. I've pitched my tent in the land of Hope.

Living in the land of hope!!!

Hope....To expect or to be optimistic...."Expect the best" Don't be ...Hopeless

Do you fear God? Does your idea of fearing God mean being afraid of Him? Job 28:28 says the fear of the Lord is wisdom and to shun evil is understanding. Fearing God doesn't mean to be afraid of Him. It means to have reverence toward Him, respect Him, honor Him, and OBEY Him. In Proverbs 22 we read that humility and the fear of the Lord will bring honor and life and riches.

I know people who are always afraid that God is going to punish them or when anything bad happens it's because the Lord is mad at them for something they have done. You shouldn't live in fearfulness that your Heavenly Father is going to punish

Helping. Other. People. Elevate!!

People are waiting on you to give them hope. People are waiting on you to Be hope!! How can I be Hope? Or Help other people elevate? By offering Christ to them. By sharing the word with them...I can do all things through Christ who strengthens me. I can lift them up in prayer I can show them the way. I can speak word of God into their lives; show them a miracle working God, a God that cares about them, a God that knows every little hair on their head or lack thereof.

God knows when we cryHe knows when we want to give up....He knows why we want to give up.....He knows when... He knows where... and how.

He won't turn His back on you!! It may look like all hope is gone But hope is here... Hope is you!!!

Be the person that's is willing to help someone out of their situation. Be that someone who is willing to say I will help elevate you from that place of desolation. God is sending you to offer them Hope. **Helping. Other. People. Elevate.** Its not about Me It's not about You; It's about Him!!!

It's about Him changing the situation and making a way where there seems to be no way!!

you always. Yes, He is a punisher, yes, He is a God of judgment, but He is our Father and He is loving, and He wants us to have what we need and then some. He said 'I would that you prosper and be in health as your soul prospers. Does that sound like a Father who wants to strike you down? God is love and He wants us to know His loving side.

Nancy Harmon always says... our Papa God... I like that... Papa God is going to fix everything... Papa God is going to love me even when I make mistakes. Papa God is there to protect me from harm, Papa God is my comfort, my shield, my life. I will not be afraid of the enemy because my Papa God goes before me. His rod and staff comforts me. He is my peace.

Don't be afraid of God! Have respect for Him, have faith in Him, have trust in Him, honor Him, exalt Him, and walk in the paths of righteousness. You have nothing to fear when you are walking with Him every day.

Is this the way you see Him?
A vengeful God?

There is HOPE!!

Helping people get out of trouble...
 Helping them reach their
 destination.....Helping them know
 the Lord Jesus.....Helping them rise
 above the cares of this life.....Helping
 them Rise above the thing that besets
 them.

I'm talking about HOPE!! Hope that
 works through me...Your Hope given
 to you to share with others Go ye into
 all the world and preach the
 gospel....It's a commission given by
 God; It's Mandated By God.....Hope
 working through me!!!! Helping other
 people elevate!!

Hope that will cause people to rise
 above the things that are keeping
 them away from the Father

What is pushing you away from your
 inheritance? I want to help you rise
 above it!!

Moving forward

News.....

We are still working on the completion of our new CD "Amazing Love". We thought it would be finished by November but we've been busy and had to postpone recording. We are back in the studio and hopefully will be finished by the end of December. We had the privilege of being with Nancy Harmon in the Atlanta Studio and recorded a couple of programs with her. She is a mighty woman of God and we are so honored to be founding partners with her "Mighty Warriors Center". This is going to make an impact on young people everywhere and so happy to be a part of it. Another project is underway as we write this: "God's Been Good to Me" is the working title of a book that will be out next year. Be watching for news concerning this. Don't forget to
